

# You are the Service Provider. You should be the Director.

**VoIP Logic** gives you the best platform using the leading technologies to run your Hosted PBX business.

## **Control:**

VoIP Logic allows you all of the control associated with facility ownership. This allows you to **adapt** your offer, **differentiate** from your competition, **evolve** with the market, **retain** ownership of your customer data, **add** new services, features and devices, **choose** network and **prioritize** your technical objectives.

## **Flexibility:**

VoIP Logic provides you the flexibility to determine your cost basis and the options which give your business a distinct advantage. This flexibility puts the key decisions about choosing your **network carriers**, **bandwidth access**, **devices**, **services**, **features**, **platform add-ons** and **external integrations** in your hands.

Let us be your cast and crew.  
It's your show.
